Students Without Borders™: Awards & Bursaries

Many universities are equipped to help students out with awards, bursaries and other kinds of financial aid-and some even have offices whose mission is to help students take advantage of opportunities to learn abroad, whether through exchanges, individual study programs or internships.

The links below are excellent starting points as you explore whether or not-and how-your college or university may be able to offer some financial support for your SWB experience.

Innis College –University of Toronto
